For-Profit Organizational Members: Academic Institutional Membership
For-profit Organizational Members of the United States Distance Learning Association are members of the largest professional distance learning association in the world. USDLA recognizes best practices and standards of excellence in distance education and online training programs.

The following organizations are for-profit members of USDLA. USDLA does not accredit or license any academic institutions. USDLA welcomes the opportunity to work with members to assist them in meeting the United States Distance Learning Association's Standards of Excellence. It is important to check with the Department of Education for the accreditation status of individual institutions. To research the accreditation status of an academic institution, please visit the Department of Education site at: http://ope.ed.gov/accreditation.

The following are for-profit Institutional Academic Member Organizations affiliated with the United States Distance Learning Association through current membership.
